

SANITRAX VIPLOO MODULE

When setting up event venues, festival grounds, temporary construction sites, military camps or temporary sites for the reception of refugees, a luxury VIP toilet/shower is a much appreciated addition to the sanitary facilities.

You can use these exclusive solutions for staff members, employees or artists, for example, and customise them according to your needs. The units are sturdy, luxuriously finished and equipped with all kinds of smart technology to save water. It's also important that the units can be thoroughly and quickly cleaned between uses. The Sanitrax VIPLOO is a unique addition to any venue!

UNIQUE MOBILE VIP TOILET AND/OR SHOWER UNIT

Sanitrax stands for Smart Sustainable Sanitary Solutions. Smart and sustainable sanitary solutions for large groups of users. Easy to transport, quick and easy to set up, sustainable and easy to expand.

The unique VIP unit is easy to configure to suit your needs. One toilet and one shower, two toilets or two showers: adapting it is very

simple. Just by removing the toilet, you have a shower! Each toilet/shower space has its own designer washbasin for optimal comfort!

Features unique flushing technology (saving up to 90% in water use) in the toilets and the water-saving shower heads in the shower section. Efficient and very environmentally friendly.

Furthermore, the attractive design and luxurious finish really stand out. The combination of all these factors makes the Sanitrax VIPLOO the most complete solution on the market.

SANITRAX GOES THAT EXTRA MILE

In addition to the unique VIP unit, Sanitrax also offers a standard toilet and a toilet for the disabled. The complete and modular Sanitrax product line also includes urinals, washbasins and showers.

We're also happy to help you get started. Just as you can expect from a quality brand such as Sanitrax and our large network of partners, we go to work on your question and deliver a detailed overall plan and a situation report. It's easy to see why we're one of the fastest-growing companies in the market for temporary sanitary solutions.

Get in touch now to discuss your situation and needs. We'll be happy to help!
